

For Immediate Release

Central New Mexico Labor Council Announces Endorsement of Katherine Bruch for Sandoval County Commission District 1.

The Central New Mexico Labor Council is proud to announce the endorsement of Katherine Bruch for Sandoval County Commission District 1.

Ever since the Sandoval County Commission began considering its ill-conceived Right To Work ordinance, Katherine has publicly stood against it. As a small business owner, she sees the ordinance for what it is—an attack on working families and the right to worker representation and collective bargaining. She understands the issues facing workers today and we believe she will be a strong advocate on the County Commission.

Sincerely,

Santos Griego, President

James Macklin, Vice President
